

POLE 50 | Pole Light

Outdoor PERFECTION

The POLE 50™ Pole Light

The **POLE 50™** pole light is powerful outdoor lighting that makes an impact and an upgrade to environments whereas radiance, peace, and comfort absolutely have to come together. This pole light leaves nothing to the imagination - it's perfect illumination, beautiful design, and elegant, yet sturdy design keeps this lighting solution at the very top of everyone's lists.

The **POLE 50™** pole light is what a timeless outdoor lighting solution is supposed to do - light your world to perfection! Some key features are as follows:

- The **POLE 50™** comes with the option of being surface mounted and/or direct burial and that means that you have options that help you refine your outdoor lighting projects to perfection. Details matter.
- The **POLE 50™** brings the powerful lumen output needed for perfect outdoor lighting and encapsulates it in a beautiful, yet simple design that works well in both classic AND modern-themed outdoor environments. An absolute win-win for specifiers and project managers.
- The **POLE 50™** has become one of North America's top choices for outdoor lighting as the results are undeniable - great lighting, great build, and great design all put into one exceptional pole light.

City Park | Outdoor Walking Path | Pole 50 Close-up

"The **POLE 50™** is a definitive outdoor lighting experience - it uplifts and elevates outdoor spaces in a way that is almost effortless."
